

Quick Reference Guide

Subscribing a DECT Phone

This guide will explain how to subscribe a new DECT cordless phone to your phone system. Please note that you will need to follow these instructions while a Telequip technician is remotely assisting you with the subscription.

1. Turn on phone.
2. Press "**Unlock**", then press "**#**" when prompted.
3. Press "**Menu**".
4. Use the arrow keys to highlight "**Settings**".
5. Press "**Select**".
6. Use the arrow keys to highlight "**System**".
7. Press "**Select**".
8. "**System Registration**" should be highlighted, If not use "Arrow Keys" to highlight it.
9. Press "**Select**".
10. "**New System**" should be highlighted, If not use the arrow keys to highlight it.
11. Press "**Subscribe**".
12. Enter AC Code (we will give you this).
13. Press "**Save**".
14. Phone will now subscribe, Press "**Ok**".
15. Then press "**C**" a number of times till you back out to the main screen.
